

CHILD PROTECTION POLICY

Updated: 2020
Review: 2024

Rationale

From the moment they join a Catholic school community, students should learn of their value as human persons. Every aspect of the school's life should reflect a Christian pastoral dimension. The pastoral dimension of Our Lady of Mercy College includes the mutual care and support that staff demonstrate both towards each other and to students.

Every staff member shares responsibility for the pastoral dimension of Our Lady of Mercy College in accordance with the Framework for the Development of Pastoral Care in Catholic Schools¹. We call on all staff to develop the kinds of relationships that will help them respond proactively to their students' pastoral needs. (Mandate, 37).

Our Lady of Mercy College is entrusted, in partnership with parents/guardians/caregivers who are the primary educators of their children, with the total education of the child. Staff therefore have a duty of care to students during school operating hours and at other times when a staff/student relationship exists. Staff discharge this duty by taking reasonable care to avoid acts or omissions which they can reasonably foresee would be likely to result in harm or injury to the student.

The Catholic Education Western Australia Limited (CEWA Limited) is committed to child protection strategies and procedures to ensure the care, safety and protection of all children in Catholic schools.
