## DIABETES MANAGEMENT PROCEDURE

**Updated: 2020**  
**Review: 2024**

### **Use appropriate template from Diabetes WA**

<https://diabeteswa.com.au/professionals/training/diabetes-awareness-in-schools-2/diabetes-action-and-management-plans/>

### **Click:**

Professionals

Under training click Diabetes at School

Under 'Diabetes action and management plans' click 'View the action and management plans'.

Choose appropriate plan for student.

When plan has been completed and returned to the College it is reviewed with regards to specific staff training requirements and entered/uploaded to SEQTA/MAZE.
